

# AYUSH

Freelance Website Developer & Digital Marketing Partner — Delhi NCR

---

I help businesses across Delhi & Delhi NCR build a stronger online presence through modern websites and results-driven digital marketing — so you spend less time chasing leads and more time closing them.

## Services

**Website Development** — Business & landing pages, e-commerce websites, custom dashboards and web apps.

**Digital Marketing** — SEO, Social Media Marketing (SMM), Google & Meta Ads, Google Business Profile (GBP) optimization.

**Brochure & Content Writing** — Company brochures, website copy, and SEO-focused blog content.

**Lead Generation & Booking Apps** — Custom lead-capture funnels and appointment/booking web apps.

**Membership & Subscription Apps** — Member and employee portals, HRMS-style dashboards, subscription tools.

**Ongoing Support & Growth** — Maintenance, security, updates and monthly marketing reports.

## Recent Work

Pratham Capital — investment & wealth management website

Doctor Hospital — appointment-focused healthcare website

Oracle Secure — multi-category e-commerce store

Sainath Sales & Services — facility management corporate site

Wholesalio — B2B import-export catalogue website

The Research Wise — think-tank & research website

A. Agrawal & Associates — Chartered Accountant firm website

ALP Group India — HR consulting website

ARV International — global sourcing agency website

Savvy HRMS — custom employee dashboard web app

## Why Work With Me

Direct communication — you talk to me, not an account manager

Freelancer pricing with agency-quality delivery

Based locally in Delhi NCR, available in person

Website + Marketing under one roof

**Let's build something great together**
